WHO WE ARE , WHERE WE FROM

Aiming at provide utmost efficient services to customers, in 1992 the Greater Bangkok Sales Department are enlarged and branched from her mother company which is long established in wholesale of iron and steel ; the new company LEELA WONG.

The production department also splits out and had been set up to form a new company; the business transaction is foundry of cast iron and steel.

LEELA WONG focused her business activities of trading the owned imported goods as well as premium locally made. We are stockist and distributor of the following premium brands :-

- High quality seamless steel pipes from Sumitomo and JFE - Japan
- High quality ERW steel pipes from Hyundai - Korea and Seah – Korea
- Water meters from Zenner-Germany
- Grooved and Hole cut Piping System from Shurjoint / Tyco – USA
- Brass & Bronze valves from Idrosanitaria Bonomi-Italy
- Clamp joint repair concept from Straub-Switzerland
- Ductile iron fittings & valves – Leeman
- Malleable Iron fittings ; Black & Galvanized - TM

Besides the own imported and own manufactured items , we are also dealer for various premium brands locally products such as steel pipe from SAHA THAI STEEL PIPE PUBLIC COMPANY and PACIFIC PIPE PLC. ; plastic pipe from SCG Group Nawa Plastic (elephant brand) of which the list of index of price list is also attached for quick reference.

Company slogan : Quality is our business philosophy.
